Agreeing on Publishing the Students' Work on the School Social Media

According to the school administration methodology to raise a conscious generation who are able to make decisions, face challenges, participate and interact with the internal and external community, we committed ourselves to motivate the students to carry out external and internal activities in order to develop the spirit of participation in building a society based on love and work. Therefore please, express your approval or disapproval to publish your student's activities on the school social media.
